

BRUGGE BOAT RACE – 28th edition

Saturday 4 March 2023 & Sunday 5 March 2023

The Brugge Boat Race is an international rowing event over a 5000 meters race course on the Ostende–Bruges Canal between Nieuwege Bridge and the KRB Club House.

On Saturday afternoon the boat race is exclusively for coxed eights. All categories (senior, junior, students, masters and tour rowers eights) compete in two heats. Every minute two boats start side-by-side.

Sunday morning' head races are for all other types of boats with rolling starts at intervals of 15 seconds.

Registration deadline is Friday 17 February 2023 at 6:00pm
([registration info](#))

This year's 28th edition follows after a one year break due to the COVID pandemic which forced us to skip a year for this international event. In the last edition of the Brugge Boat Race no less than 74 eights took part in

the boat race and a total of more than 1000 rowers from 7 European nations raced in all events of the weekend.
