“One of the most unique golfing
experiences in the world”

Signature Golf takes care of the detail.

*We'll plan as much, or as little, as you
desire to make your perfect golfing
vacation a reality.*

– Signature Golf

Overview

A luxurious 14-acre gated private estate on the outskirts of Belfast which was home to Rory from 2009 to 2013 during which time he became the world's number one golfer, winning the US Open and US PGA Championship along the way.

Signature Golf is proud to offer a genuine experience of a lifetime. Golfing fans from across the world will be given the unique opportunity to literally walk in the footsteps of Rory McIlroy.

You will have exclusive use of his former home and practice facilities, purposely built and designed by Rory himself to replicate shots required to win each of the four Major Championships.

We believe, it truly is, "One of the most unique golfing experiences in the world"
– Signature Golf

The House

An award winning five star property nestled in the rolling countryside of County Down. This gated 7,200 sq ft property has five double bedrooms with en suite facilities, several spacious living, dining & entertaining areas, a viewing gallery, study/library, cinema & gym accommodating up to 16 persons.

Other Features

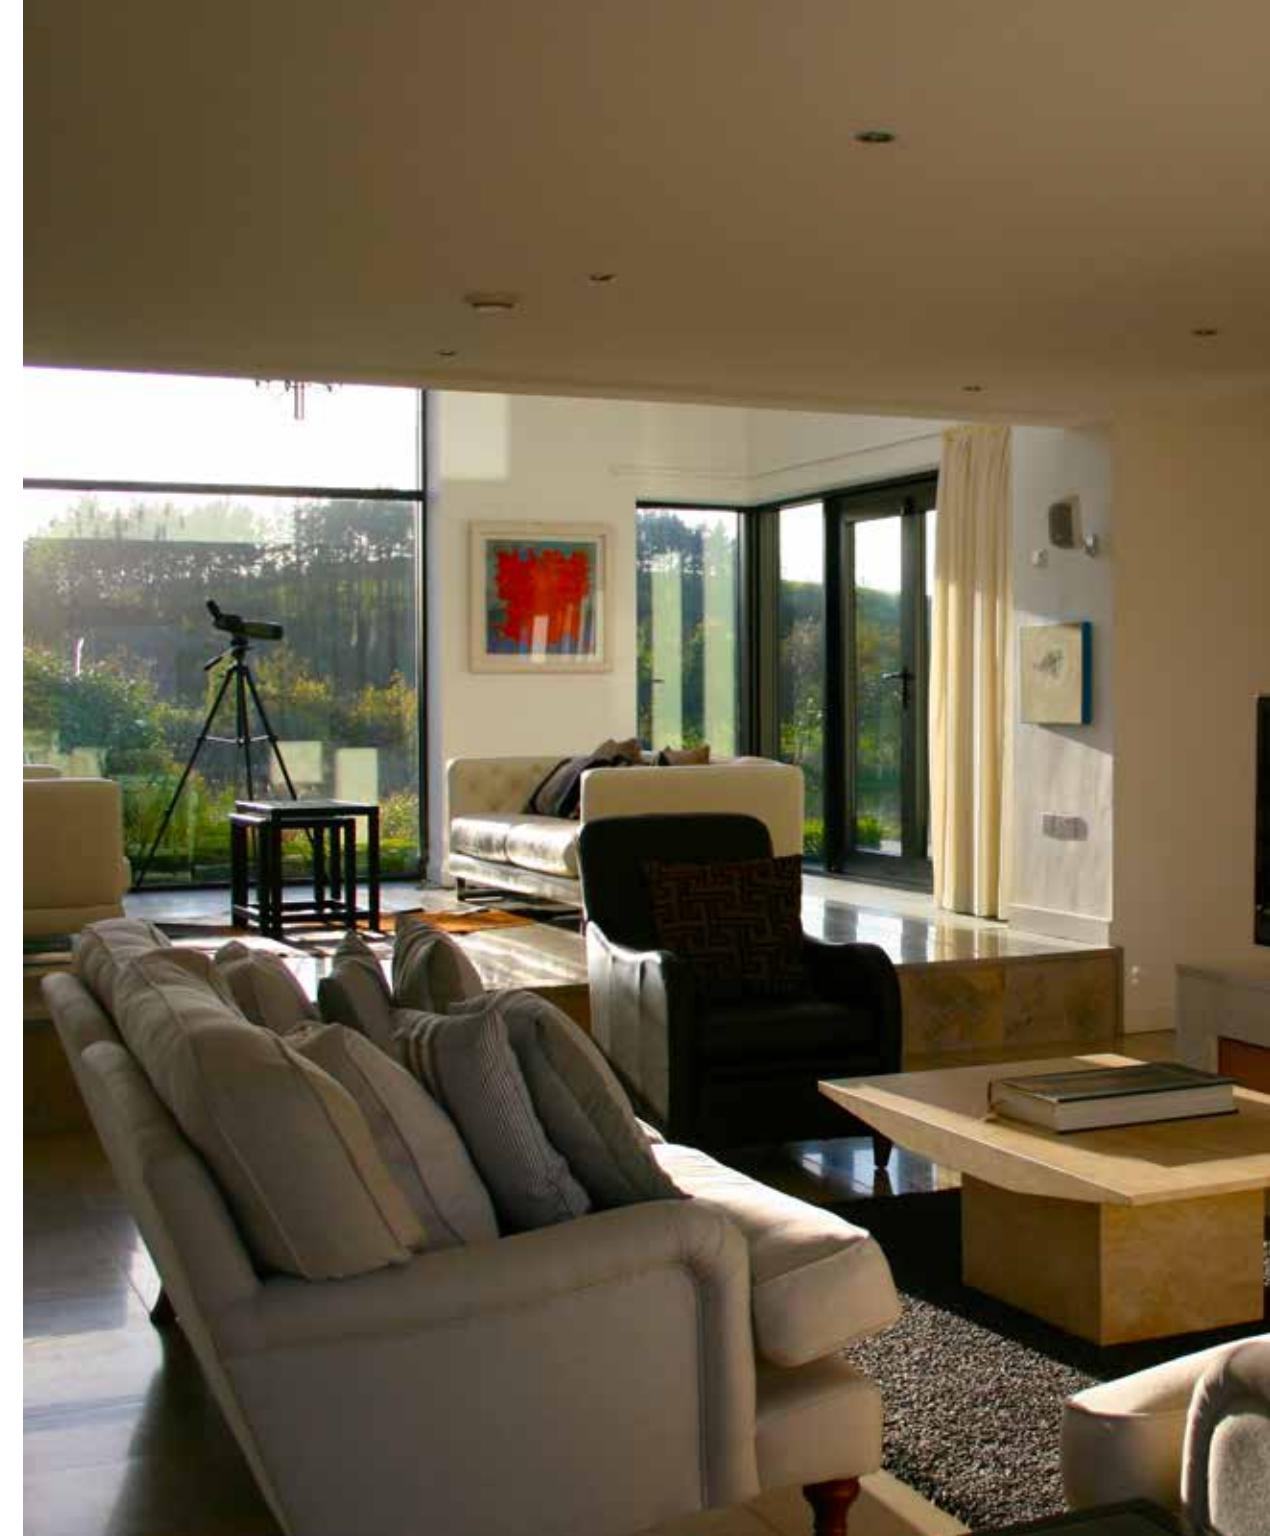

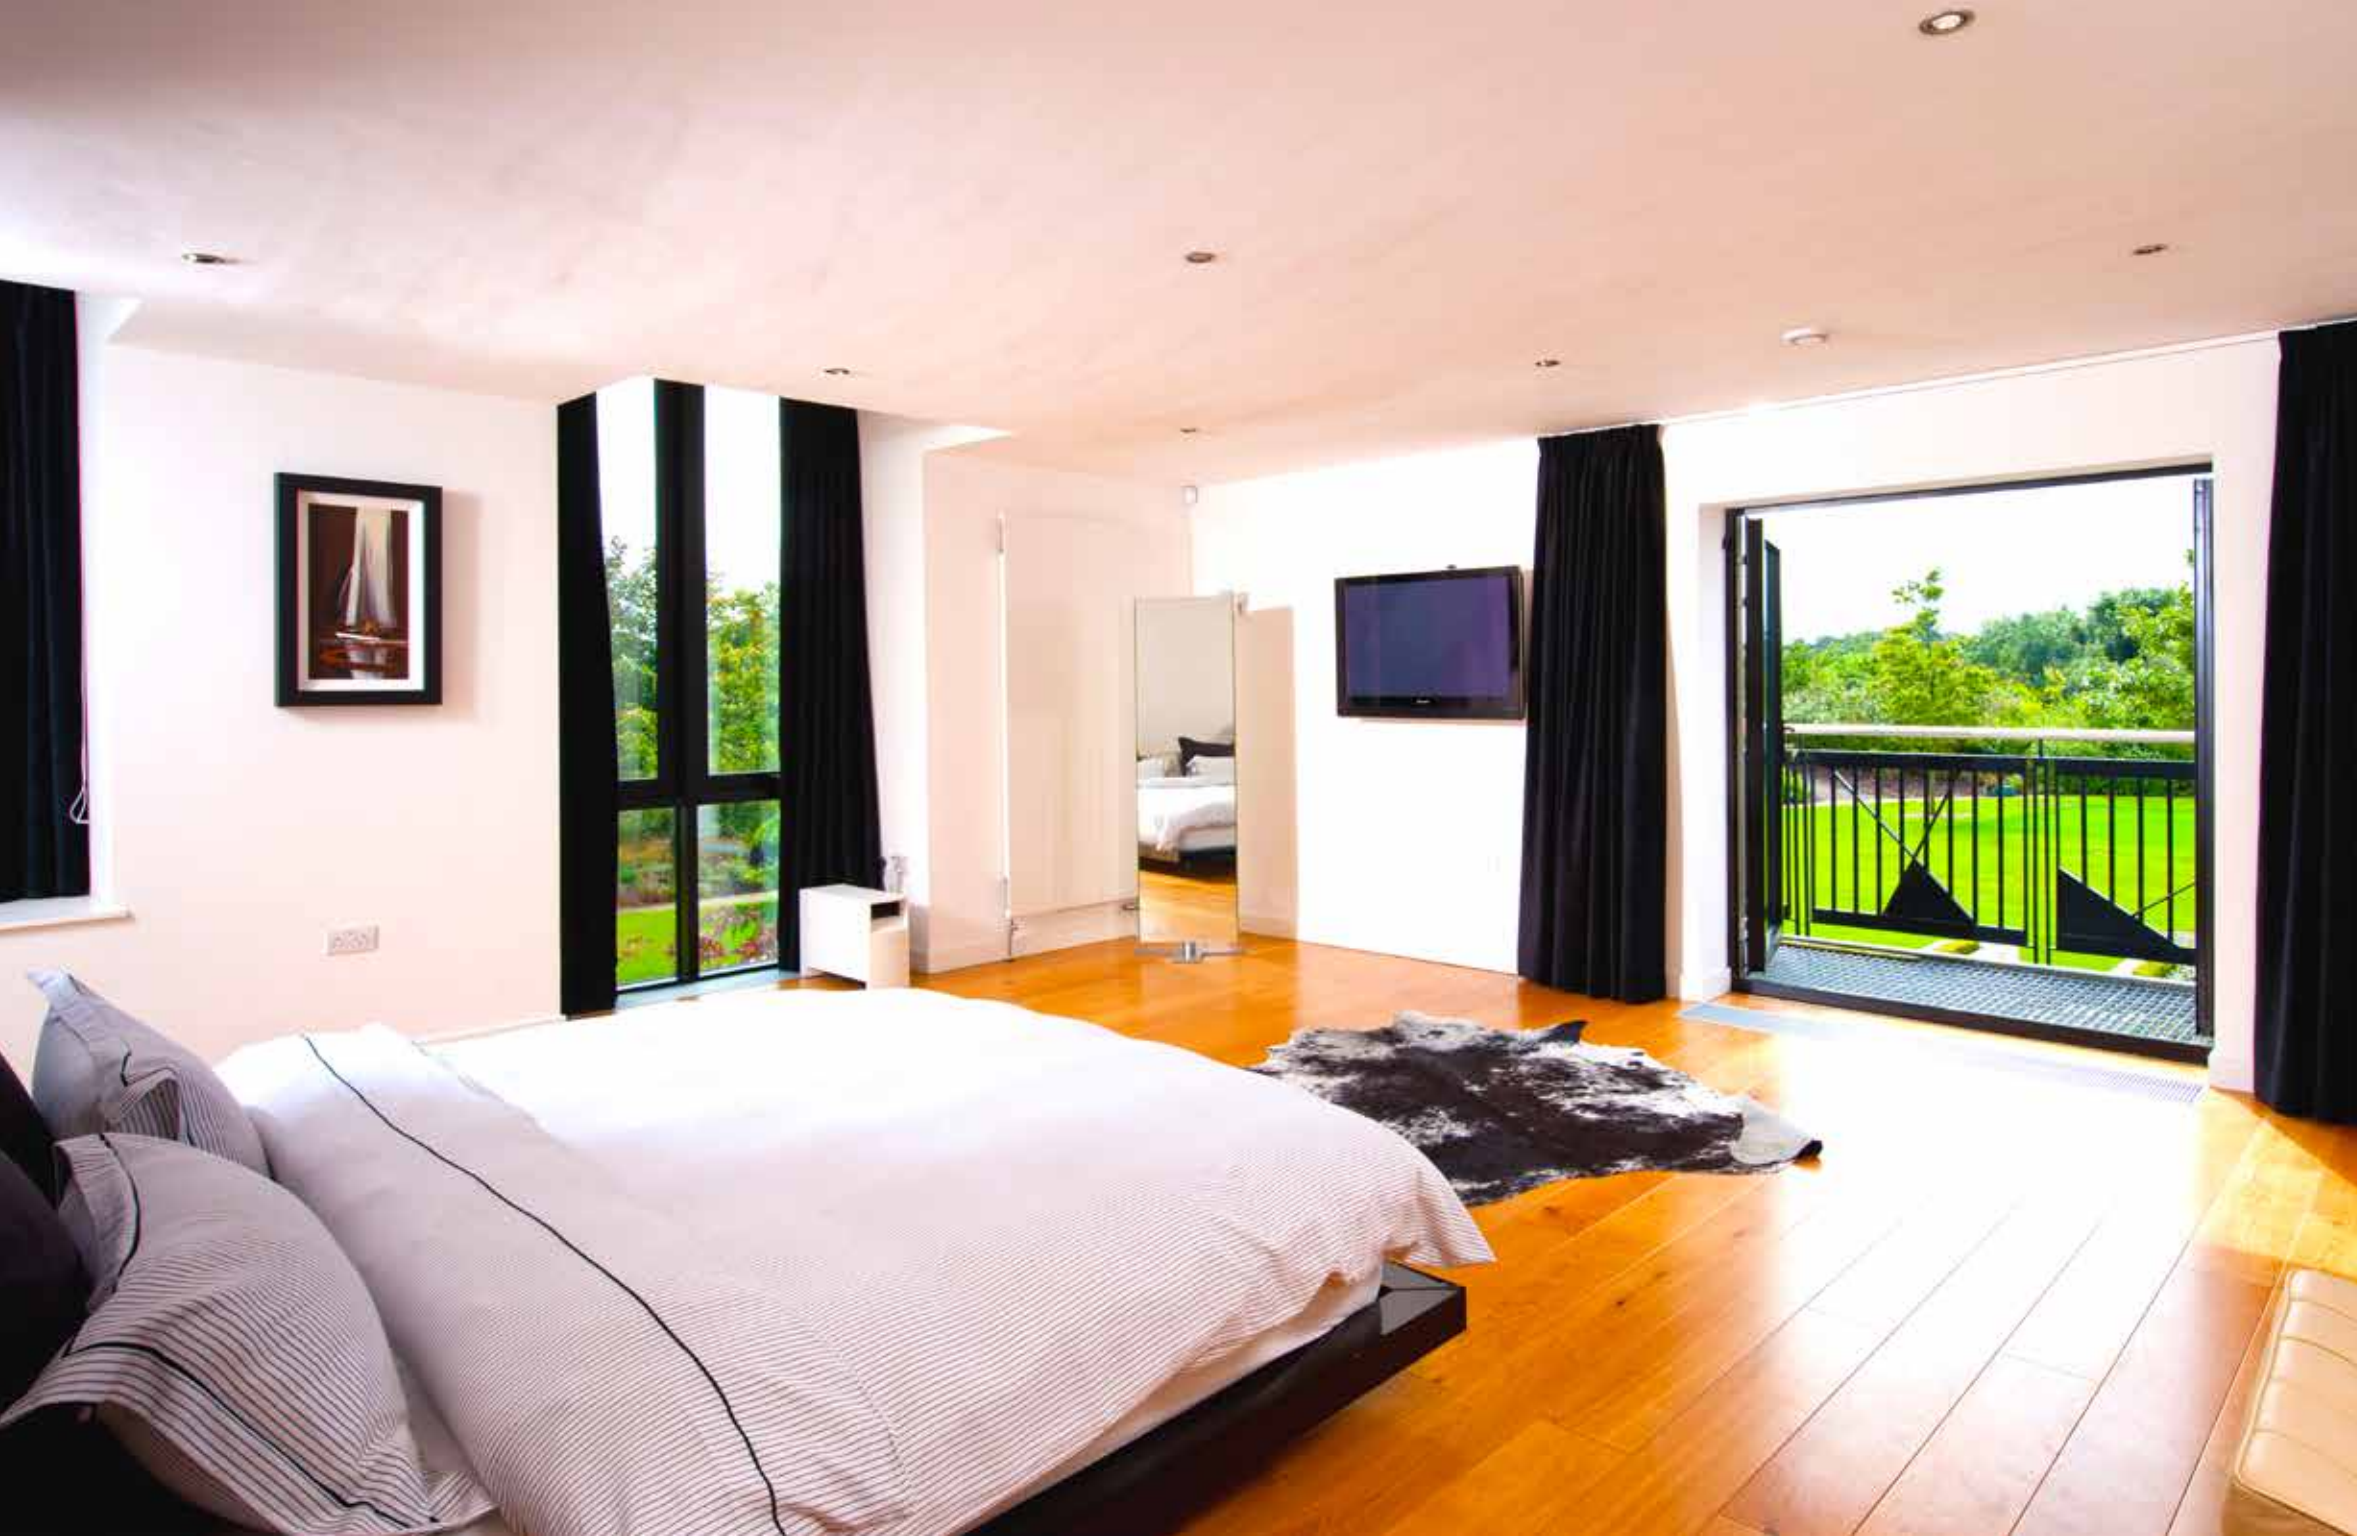

- An outdoor hot tub
- Alfresco dining
- BBQ terrace
- Tennis court
- Award Winning gardens
- Private lake stocked with brown trout
- WiFi, Sonos sound system throughout the property

Location

Conveniently located close to Belfast City Centre and international transport hubs, yet offering unparalleled tranquillity, privacy and luxury.

Facilities

Rory modelled this inspirational facility on the world's top golf courses to replicate shots required to win each of the four Major Championships.

From the famous 'Road Hole' bunker on the 17th at St Andrews Old Course, to the undulating bent grass greens of Augusta National, to the inspiring 320+ yard drive over Robinhalls' lake and grounds, it really has everything a budding World Champion could desire.

The Holes

Witness the thrills of St Andrews, Pebble Beach, Congressional and Augusta National.

The four holes featured at Robinhall use specialist grasses, (typical of the world's top courses) such as 50/50 Cezanne Seabreeze | Jessica/Dickens Rye mix & L93 Bentgrass...

All so essential for Rory's Championship preparations with his coach Michael Bannon.

Short Game & Putting

The stunning setting for the short game area aside Robinhall House is matched only by its specially imported synthetic playing surface. Specifically chosen by Rory for its exact roll and release, the putting green has to be experienced to be fully appreciated!

Playing at the same speed as Augusta National during the US Masters (stimp level 13) this lightning fast green allows players to experience both approach and fringe shots. With Rory's custom designed half-size hole to challenge you even further, you could be forgiven for playing here all day!

Driving Range

The final area on the experience is the driving range itself where Rory McIlroy spent many hours with his coach perfecting his swing.

For Iron play, the range measures 220 yards played from a teeing area seeded with a Fescue mix of Cezanne Seabreeze. There are numerous target posts at 50 – 100 yards and four bunkered greens at 125 – 200 yards.

There is also a back tee behind the lake measuring 330 yards... for the long hitters!

The Grounds

The award winning gardens extend to approx 6 acres and feature manicured lawns, beautifully planted borders, mature trees and hedges. A natural fresh water lake is a delightful central focal point. Meandering illuminated walk ways are a lovely feature.

A floodlit 'all weather' tennis court is accessed via a beautiful garden walkway. A sun terrace and separate BBQ area with built-in bench seating and polished granite food preparation area is situated just outside the Kitchen. The gardens & grounds surrounding Robinhall House are winners of the prestigious 'Bog Oak Trophy' for overall best landscaped gardens in Ireland. With rustic pathways and cobbled paving stones around the gardens and lake you can enjoy the numerous plants, flowers and flora around the property.

Typical Itinerary
