First of all, my members and I thank you and the entire group at Signature Golf for a great experience in Scotland! The Military Tattoo was quite the show to end our 8 day adventure.

You should be extremely proud of yourselves; As a team you were better than I had hoped in handling every little issue that arose during the trip. Peter our host was nothing short of amazing throughout.

We made changes along the way and I know that can never be easy, but you and your group provided great service. All in all, I believe you all delivered with a great experience for my membership and look forward to traveling with you and Signature Golf for many years to come.
