Sunningdale Old Course - *England*

It is pure enchantment that characterizes Sunningdale Old. Virtually every hole is played in splendid – and beautiful – isolation, and in harmony with nature... There is subtlety here, a measure of drama, and a wealth of that one indispensable ingredient, pleasurable excitement... No wonder it may be the most beloved inland course in the British Isles.

Swinley Forest Golf Club - *England*

Swinley Forest: untouched, exclusive, unusual and totally eccentric, an almost frozen in time golf course in Southern England. A special and unique golf course hard to compare to anywhere in the world let alone the UK.

With a private and exclusive club, only accepting visitors invited by a member or with prior arrangement with the club secretary playing here really is a unique experience.

Current members include the Dukes of Edinburgh and York, and Peter Allis. You can be sure to be playing alongside the finest golfers on the finest course. The short one-shot holes are simply outstanding and the site/position of the greens sets Swinley apart from many other courses.

Truly Unique.

First of all, my members and I thank you and the entire group at Signature Golf for a great experience in Scotland! The Military Tattoo was quite the show to end our 8 day adventure.

You should be extremely proud of yourselves; As a team you were better than I had hoped in handling every little issue that arose during the trip. Peter our host was nothing short of amazing throughout.

We made changes along the way and I know that can never be easy, but you and your group provided great service. All in all, I believe you all delivered with a great experience for my membership and look forward to traveling with you and Signature Golf for many years to come.
