St Andrews Old Course - *Scotland*

St. Andrews, known the world over as the 'home of golf'. The sport was first played on the links at St Andrews in the early 1400's and its extraordinary history has flourished ever since. The Open Championship was first played on the links of the Old Course in 1873 and has since been staged there an incredible 29 times. Walk in the footsteps of golfing greats, relish the unique surroundings as you saunter up the 18th fairway and cross over the iconic 700 year old Swilcan Bridge.

Kingsbarns - *Scotland*

Located a short 10 minute drive from the Old Course, Kingsbarns is one of the youngest courses Signature Golf has to offer. However, what it lacks in age it certainly makes up for in class ... one of the most spellbinding links courses in all of Scotland, this modern day masterpiece has co-hosted the European Tour's Dunhill Links Championship since 2001 along with the Old Course and Carnoustie... a most memorable 'golfing work of art' overlooking St Andrews Bay.

Carnoustie - *Scotland*

The Carnoustie Championship course has developed over time to become one of the world's finest tests of golf. Carnoustie has hosted the Open Championship a remarkable 7 times with some of golf's most famous legendary players notably Ben Hogan, Gary Player and Tom Watson taking the Claret Jug. Our own Paul Lawrie winning in 1999 after Frenchman Jean Van de Velde triple bogeyed the 72nd hole when a double bogey 6 would have won him the Championship.

St Andrews Sightseeing

As well as being the home of golf and famous for its Golf Courses and the R&A Clubhouse there is much more to see in St Andrews. A walking circuit of the town can take in all the main visitor attractions and some of the historic buildings this charming and quaint town has to offer. From the famous university founded in the 1400s to the striking ruins of the Cathedral and Castle. Take in the beach famous for the scene filmed there in Chariots of Fire and enjoy fresh seafood in the seafood restaurant overlooking the water.

There are guided walking tours available - besides pointing out things that you might otherwise miss, these can really help you to understand some of the history of the town. There's even a night-time, ghost-led Witches Tour!

Attractions out of the town centre include St Andrews Botanic Garden, the Eden Estuary Nature Reserve, and Craigtoun Country Park. There are fabulous restaurants and boutique shopping all within walking distance of the town centre.

Kingsbarns Distillery

Take a local golf caddie and dram lover, a man with a dream, and add a characterful cluster of old farm buildings set amid sunlit barley fields ruffled gently by sea breezes and you are at Kingsbarns distillery. A must for Whiskey lovers.

First of all, my members and I thank you and the entire group at Signature Golf for a great experience in Scotland! The Military Tattoo was quite the show to end our 8 day adventure.

You should be extremely proud of yourselves; As a team you were better than I had hoped in handling every little issue that arose during the trip. Peter our host was nothing short of amazing throughout.

We made changes along the way and I know that can never be easy, but you and your group provided great service. All in all, I believe you all delivered with a great experience for my membership and look forward to traveling with you and Signature Golf for many years to come.
